Re: Lee Moore

Dear Tim:

There is some material in my file that I wanted to make sure you also had for your review. Foremost is a recently filed Motion I prepared and filed today concerning the differing entries as to the appointment of the Court Clinic and Dave Chiappone. As we discussed, it is my position that Dave is our witness and, accordingly, is not required to submit any reports as to his discussions with or evaluation of Mr. Moore.

I have also included copies of additional discovery that was reviewed at the hearing on the Motion To Suppress as well as copies of exhibits that were marked and introduced into evidence at that motion.

Finally, I am providing you with a copy of the Motion as to the Deposition of Dr. Elliott as well as a copy of the Defendant's Juvenile Record and copies of the letters he has written to his parents. I have spoken to Chuck Stidham and requested him to provide me with his mitigation evidence but still have received no response.

I'll keep you informed of any new developments.

Sincerely yours,

Daniel J. James
